Notes about classes -

All registered adults are invited to participate in classes. However, if you have a preschool aged child you will have to provide supervision for them while you are taking the class.

All classes are optional for adults

All students will be grouped homogeneously according to age into meaningful, manageable classes.

Placement in classes will be on a first come basis according to date application is received. Each class includes materials for one project. If you wish to do a second project in the same class, there will be a fee to cover the cost of supplies.

For each applicant mail to the address below.
